C800 on this 3rd Day of August, 2017 hereby issues a Notice to Award a Contract to Todd Hess Building Company as a result of the Request for Design Build Proposals for Communication Site and Shelter Upgrades issued on July 7, 2017 with Proposals received on July 27, 2017

It is the intent of C800 to authorize this Contract(s) on or about August 10, 2017

2.22 NOTICE OF INTENT TO AWARD:

- a. Notice. At least seven calendar days before the Award of a Construction Contract, C800 shall issue to each Bidder (pursuant to ORS 279C.375(2)), or post electronically or otherwise, a notice of C800's intent to Award the Contract.
- b. Form and Manner of Posting. The form and manner of posting notice shall conform to customary practices within C800's procurement system, and may be made electronically.
- c. Finalizing Award. C800 Award shall not be final until the later of the following:
 - i. Seven Calendar Days after the date of the notice, unless the Solicitation Document provided a different period for protest; or
 - ii. C800 provides a Written response to all timely-filed protests that denies the protest and affirms the Award.

Prior Notice Impractical. Posting of notice of intent to award shall not be required when C800 determines that it is impractical due to unusual time constraints in making prompt Award for its immediate procurement needs, documents the Contract file as to the reasons for that determination, and posts notice of that action as soon as reasonably practical.
