Phone in: (253)215-8782 Meeting ID: 890 0602 4138

- 1. Call the C800 Board of Directors meeting to Order -Chair Chief Rick Huffman
- 2. Roll Call of Partners: (19/10)
 - City of Canby
 - City of Gladstone
 - City of Lake Oswego

City of Oregon City

- City of Milwaukie
- City of Molalla
- City of Sandy

- City of West Linn
- Aurora Fire District
- Canby Fire District
- Clackamas County Fire District #1
- Colton Fire District
- Estacada Fire District
- Hoodland Fire District

- Molalla Fire District
- Sandy Fire District
- Tualatin Valley Fire & Rescue
- · Clackamas County Sheriff
- Clackamas County Health
- 3. *Approval of Minutes of January 20, 2021 Board Meeting Rick Huffman
- 4. Public Comment Rick Huffman
- 5. Communications John Hartsock
- 6. Financial Report January 2021 John Hartsock
 - *Acceptance of FY 2019/2020 Audit Report
- 7. Committee Reports
 - Executive Committee Rick Huffman
 - Technical Committee John Hartsock
 - Citizen Accountability John Hartsock Next Meeting March 17, 2021
- 8. Old Business: (* Action Item)
 - System Management: Ron Polluconi
 - System Upgrade/Replacement

Project Status / Procurement - Bjorn Morfin / John Hartsock

Logging Recorders - John Hartsock

LOCOM Move - John Hartsock

Fire Station Alerting - John Hartsock

800 MHz Paging (voice) - Ron Polluconi

Portable Radio Antenna - Ron Polluconi DVRS - repeaters - Ron Polluconi

- 9. New Business: (* Action Item)
 - Approval of use of Premium Dollars John Hartsock
 - Next Board Meeting March 17,2021 9:00A Location: Zoom Meeting
- 10. Open Agenda
- 11. Adjournment

CLACKAMAS C800 RADIO GROUD

BOARD OF DIRECTORS MEETING

Meeting Minutes of the January 27, 2021 Meeting This meeting was held via ZOOM.

1. C800 Board Meeting Called to Order at 0900.

2. The following were in attendance:

City of Gladstone: Chief John Schmerber /
Chief Rick Huffman / Randy Hopperstad
City of Lake Oswego: Chief Don Johnson /

Capt Simon / Sue Scobert

City of Milwaukie: Capt Robbie Graves
City of Oregon City: Chief Jim Band
City of Sandy: Chief Ernie Roberts
City of West Linn: Chief Peter Mahuna

Aurora Fire Dist: ?

Canby Fire Dist: Chief Jim Davis
Colton Fire Dist: Chief Mike Everhart

Clackamas Fire Dist # 1 Brent Olsen, Jessamyn

Ode

Estacada Fire Dist: Brent Olsen

Molalla Fire Dist: Chief Vince Stafford Sandy Fire Dist: Chief Phil Schneider TVF&R: Asst Chief Mark Havener

CCOM: Toni Sexton / Megan Neece / Tony

Collins

WCCCA: Ron Polluconi / Jennifer Reese Clackamas County: Brian Nava / Jamie Poole

C800: John Hartsock / Bjorn Morfin

Citizens: Melissa Framiglio / Paul Zaninovich / Roger Allen / Debbie Klein / Molly Ellis / Bitsy

Ellis / Dan Kearns

3. Approval of Minutes – October 21, 2020 Board Meeting

Chief Rick Huffman moved, and Capt Robbie Graves seconded. Motion passed unanimously.

- 4. Public Comment: None.
- 5. Communications: None.

6. Financial Report – November / December 2020 - John Hartsock

John reported that they are tracking on budget. No unusual circumstances to report.

FY 2019/2020 Audit Report

John advised that he had received the FY 19/20 audit with a clean report from the auditor, which is attached with the financial report. He asked the board members to review this information. At the next meeting, the Board will be asked to accept the audit.

7. Committee Reports

Executive Committee - Sue Scobert: Did not meet, no report.

Technical Committee - John Hartsock: John said they met on Dec. 23. They have been dealing with the typical issues such as upgrading the sites, CCOM temporary configuration, training consoles, the LCOM move, and the logging recorder update. Their meeting scheduled for today was cancelled but they will meet again at the end of February.

Citizen Accountability - John Hartsock: The committee met on Jan 20, 2021 before. They made three recommendations after looking at the issues at Memaloose and Whalehead related to the fire damage. They asked that I talk to the forest service about making a larger defensive border. They suggested that we should extend the current 30-foot fire break to a 50- or 70-foot break. This should not be too much of an issue as the trees are already gone. Bjorn will discuss this with UAFS.

The committee also discussed the West Linn / Lake Oswego sites. They suggested that C800 might want to present to the C4 committee which is a group of cities in Clackamas County. John will talk to the county administrator about this possibility.

The last thing the committee discussed was the radios at the hospitals. John advised that they have had some delays in getting the hospitals to upgrade their radios. John will discuss this at the Motorola meeting.

The committee will meet again on March 17, 2021.

8. Old Business:

System Management - Ron Polluconi: Ron advised that there have been ongoing minor issues due to system age but that everything was back up and operational.

He also outlined some connection issues with microwave at LOCOM since the new building was built, they have put some countermeasures in place. The system had a change in status over the weekend that caused a couple of minor outages but caused irritation to the dispatch center. The center used their back up radios to continue operations. The techs found a marginalized transmitter which made the condition worse. This will be resolved as soon LOCOM is moved into their new building.

Ron said that they had a few issues due to downed trees from the storm. They had some power outages, but they were able to maintain systems operation. This situation did bring to light a couple other issues they have with the new power, so they made some adjustments at a few sites. This resulted in them using more fuel than they anticipated. The storms did not cause any damage to any systems.

System Upgrade/Replacement

Project Status/Procurement – Bjorn Morfin / John Hartsock:

Bjorn reported that they are pretty much done with all existing sites upgrades. They are still working with the forest service on the Timberline propane upgrade.

John said that CCOM was up and ready for the radio equipment install. Due to COVID-19, they need to have the dispatchers farther apart so that changes the original plan. They need to accommodate for four positions at the prior EOC. They will be discussing this at the Motorola meeting.

They have moved new radios into the new LOCOM building. They will move the existing CEB (radio controller) on Feb. 15th and plan to be ready to go on Feb. 25th.

Bjorn said that a majority of the new sites are built. The sites that are pending are the forest service sites. They are still waiting on a permit/lease from the forest service for TD&H. Construction wouldn't start on this until the snow melts.

They are nearly done at the Memaloose and Whalehead sites, except for fencing. These sites were impacted by the fires. They've assessed the damage at Whalehead and he hoped to meet with the forest service so they can see the damage at Memaloose tomorrow. The work won't resume until spring.

They are 40% complete at the Oak Grove site. That construction won't resume until spring.

They are working with the County resolution service for the two new sites in West Linn and Lake Oswego. John said he spoke with Lauren, who is the Director of Resolution Services. She's met with the West Linn and Lake Oswego manager's offices and West Linn Police. She plans to also meet with Tualatin Valley Fire & Rescue, Lake Oswego Police, and Lake Oswego Fire.

Motorola should be able to start coverage testing in April and have on-the-ground test reports by May or early June. John wants to add some in-building testing as well. This would verify if the computer-generated maps matched the on-the-ground testing.

John said that they will be putting together a list of the potential sites that were researched for the Lake Oswego / West Linn area enhanced coverage. The next step would be meeting with the two city managers and Resolutions Services to outline a process.

Chief Jim Band asked where were they at in terms of the overall timeline? What are the site options? Can they finish the rest of the project and leave the others undone? They can either find a solution or the citizens will have to accept that their services will be less.

John said that yes, they can complete the system and operate on the new system without the two sites Lake Oswego/West Linn sites. The main purpose of those two sites was to enhance coverage. In the design to overcome existing coverage issues and improve in building coverage. They would need two sites to get the coverage that matches the coverage in the surrounding communities.

Melissa Framiglio, from the Skyland Neighborhood, said that Skyland was not represented by either of the city managers that he mentioned. How can they get someone to represent them in this discussion? John said that Lauren (Resolution Services) was also meeting with the county administrator, Gary Schmidt, who would represent the Skyland Neighborhood.

John said they plan to go operational with the new system without the HWY 224 sites being completed in the June 2021 time frame. They hope to have overall system completion in September/October. This could be extended if they get a resolution for the West Linn/Lake Oswego area.

John outlined that they have funds coming from PGE that they can't be accessed until the forest service sites are complete. John talked to the County about allowing them to use the bond premium proceeds. He will bring a resolution back to the board once he gets some direction on that. They would need the citizen advisory committee approval and board approval.

John went over the Quarterly Outlook. They wish to approve the security system which is on this meeting's agenda. They are working on a plan to relocate the equipment on the five existing towers, hopefully this summer. The project's goal is still to create an efficient, dependable public safety radio communications systems that works in all parts of Clackamas County.

John went over a slide that showed the site connectivity map and described the progress and plans with those connections. They've had a couple issues with the microwave contractor, even though they've done a great job on site. They reside in Florida so when the hurricane hit that area, they had to return home. A couple of the employees have also contracted COVID-19 which caused more delays. They hope to add more crew members to make up time.

Melissa Framiglio asked about the Lindquist Lease.

John said that Lindquist has advised that they will not extend the lease, but the current lease is still in place.

Logging Recorders – John Hartsock

John said that the logging records are ordered and available to ship. They will install them at Lake Oswego, CCOM, and WCCCA. The first test will be at LOCOM. The project is moving along nicely and is very organized.

Fire Station Alerting/Paging – Ron Polluconi:

Ron said that they thought they were going to follow the same model as all the other services. However, this is a new system with new nuances.

Ron shared some slides and explained the Phoenix G2 Fire Station Alerting System, Agency and Station Equipment. John will send out additional information to the fire agencies about this equipment and support that will be provided.

800 MHz Paging (voice) - Ron Polluconi: No updates. They are waiting on upgrades.

Portable Radio Antenna- Ron Polluconi: Ron said they received some antennas from Motorola. They are labeling them now and then they will distribute. They haven't received the final batch of monoband antennas yet.

DVRS – repeaters – Ron Polluconi: Ron said there was no test results and no feedback to date.

New Business (*Action Item)

- **2021 C800 Board Meeting Dates** The schedule is in packet. They will be 9:00am meetings held via Zoom until further notice. John noted that they matched the CCOM meeting dates.
- * Approval of Contract for Video Security System John Hartsock
 - Requested the proposal back in September. A wide range of proposals were received. He went through it with WCCCA and narrowed it down to this vendor. It matches their designed intent. It's for \$440,000 and they had \$600,000 budgeted.
 - O Chief Davis made a motion and BC Brent Olson seconded. The motion passed.
- * 2021 C800 Board Elections
 - John explained that the first vice chair, Chief Huffman, will become chair after this meeting. The second vice chair, Brett Smith, will be retiring in April and the Board previously agreed that Lt. George Tro would take that position after Brett retired. We are therefore calling for nominations today for the second vice-chair. John noted that traditionally, they traded back and forth between police and fire departments. Chief Don Johnson was nominated by LOPD Clayton Simon. No other nominations. Nominations closed. Chief Johnson was appointed to second vice chair.
- * Approval of the 2021 Insurance Premium: John said that it increased \$10,000 from last year due to the new sites added.
 - o Aurora Fire ??? made a motion and Chief Jim Band seconded. Motion passed.
- * 2020/2021 Budget Process / Appoint John Hartsock Budget Officer
 - John provided an outline for this year and he requested that he is appointed as budget officer.
 - o Chief Vince Stafford moved and Chief Jim Band seconded. Motion passed.

Next Board Meeting

Next meeting will be February 17, 2021 at 9:00AM Location: Zoom

9. Open Agenda

Jamie Poole said that the EOC has moved. CCOM has that whole building now. The new EOC is at the 1710 Red Soils Court. Disaster Management is here as well.

10. Adjournment - Meeting adjourned at 9:56 AM

Board of Directors Action Request

To: C800 Board of Directors

From: John Hartsock, Manager

Date: February 17, 2021

Re: Accept the FY 2019/2020 Fiscal Audit

REQUEST: It is hereby requested that the C800 Board of Directors accept the Audit and Auditors finding's letter for year ended June 30, 2020 as prepared by Jarrard, Seibert, Pollard & Co.

DESCRIPTION: On January 27, 2021 the audit document was forwarded to all C800 Partners for review and comment along with the Auditor's finding's letter dated December 2, 2020.

FINANCE: In compliance with C800 financial policy

LEGAL:

RECOMMENDATION: It is hereby recommended that the C800 Board of Directors accept the Audit and Auditors finding's letter for year ended June 30, 2020 as prepared by Jarrard, Seibert, Pollard & Co.

Board of Directors Action Request

To: C800 Board of Directors

From: John Hartsock, Manager

Date: February 17. 2021

Re: Use of Bond Premium Dollars

REQUEST: It is hereby requested that the C800 Board of Directors approve the request to Clackamas Board of County Commissioners for the use of Bond Premium dollars in the amount of \$4.5M for cost overruns and cash flow issues.

ISSUE: The general obligation bond sale by the County for the radio project in 2016 also generated bond premium dollars in the amount of \$7,165,794. The bond funds were invested upon sale and have earned more than \$1,000,000 in interest earnings primarily due to schedule delays. These additional funds are earmarked as project contingency.

The project has experienced some additional unanticipated costs in site construction. This has included: 1) unforeseen site conditions related to soils and foundation issues \$200,000; 2) replacement of five existing towers to meet seismic and loading requirements \$1.1M; 3) structural upgrades to four existing towers \$475,000; These are currently estimated at \$1.775M.

C800 has entered into a site use agreement with PGE in the amount of \$2.675M for use of six sites by PGE for their new communications system. The plan for these funds is to offset the cost of the extensive utility costs for the four east county Hwy 224 sites. These four projects require road construction of 4 miles to access these sites and 19 miles of power extension to provide power. To access these funds from PGE we need to complete the Oak Grove and Memaloose sites. The other four sites in the agreement have already been completed. It was anticipated the Oak Grove and Memaloose would have completed in November of 2020 but have been delayed due to the September wildfires. This has created a cash flow issue.

The September 2020 Riverside wildfire has damaged the Whalehead and Memaloose sites. The windstorms in September also caused access issues to the Oak Grove site. C800 has applied for FEMA assistance as well as making insurance claims for restitution of these sites. The extent of the damage and an estimate for restitution is not yet available as we are unable to access the sites at the time being due to USFS restrictions. It is anticipated that C800 will have to fund the repairs prior to receiving funding from FEMA and/or insurance thus another potential cash flow issue.

POLICY IMPLICATIONS: None

FINANCIAL: These funds will be utilized as contingency for the project.

LEGAL: In accordance with the IGA between the County and C800 for the project.

RECOMMENDATION: It is hereby recommended that the C800 Board of Directors approve the request to Clackamas Board of County Commissioners for the use of Bond Premium dollars in the amount of \$4.5M for cost overruns and cash flow issues.
